**2018-2019 Agricultural Enhancement Program- West Fork Conservation District**

Thank you for your interest in participating in the West Fork Conservation District’s Agricultural Enhancement Program. We are proud to offer this cost-share program for our co-operators, and it is important to note that there have been some changes. Here are some importance things to remember when completing your application:

- Application approval is not through a first-come first-served basis.
- All applications will be ranked according to criteria set by the WVCA.
- All practices require that an aerial map be submitted with your application, and the fields/tracts that will be under contract must be indicated.
- Recent soil tests (within 3 years) are required for lime and nutrient management practices.
- Your application must be completed in full, and submitted with all necessary supporting material. Otherwise, your application will be considered incomplete and ruled ineligible for consideration.
- ***The deadline to submit your application to the district office is 4:00 PM on Friday June 1<sup>st</sup>, 2018***
