

Making Conservation Work For You!

Little Kanawha Conservation District

We provide education, technical assistance, partnerships, and contracts for local resources to help our residents conserve their land and our environment for a cleaner, healthier, economically stronger Little Kanawha Conservation District.

Services We Provide:

- Conservation Equipment Rentals
- Educational Workshops and Field Days
- Soil and Forage Testing Services
- Technical Assistance for Landowners and Farmers
- Water Quality Protection
- Student programs/contests
- Cost-share Programs:
 - Lime
 - Brush Management
 - Water Developments
 - Heavy Use Area Protection
 - Pasture Division Fencing
 - Pollinator Support
 - Urban Agriculture

All items subject to change as the district continually works to improve its programs and services.

Working Together For the Future

The mission of the Little Kanawha Conservation District is to provide local, self governed leadership and initiative in the development and conservation of soil, water and related resources. A balanced planning, education, and management program that protects, restores, and improves those resources will be accomplished in cooperation with landowners, government agencies, and private organizations.
